Date : 03/08/2026

NOTICE

Revision of KG Admission Fee – Academic Year 2026–27

Dear Parents,

This is to inform all parents that, as per the revised fee policy effective from the **Academic Year 2026–27**, the **KG Admission Fee has been revised and shall be equivalent to one month's tuition fee.**

Accordingly, wherever the admission fee collected exceeds one month's tuition fee, the following will apply:

1. **Students who have paid 100% of the school fees at the time of admission** (whether before **31.03.2026** or after **01.04.2026**) and have paid admission fees in excess of one month's tuition fee:
 - The excess admission fee amount will be **refunded through NEFT.**
2. **Students who have not paid 100% of the school fees at the time of admission** and have paid admission fees in excess of one month's tuition fee:
 - The excess admission fee amount will be **adjusted against future tuition fees.**

Parents eligible for the above are requested to contact the School Accounts Office, if required, for any clarification.

We appreciate your cooperation and understanding.
