

1. Our school is a permanently unaided school. In Compliance of Sections 6 (1), (2) and (3) of the Fee Regulation Act, 2014, the members of the statutorily constituted Parents' Teachers' Association Executive Committee (PTAEC), at their meeting held in March2015, had approved the revision and increase in fees for the academic years 2015-16 and 2016-17. The members of PTAEC had also signed the minutes of this meeting, confirming the unanimous resolution passed to that effect.

2. Majority of the parents have paid fees and taken admission.

3. In exceptional cases and circumstances, Parents who have genuine difficulty for making payment, may be allowed to pay fees in two installments by giving PDC.

4. 4% incentive is not given to new admissions. This is a policy decision.

5. If parents do not secure admission for their wards by completing necessary formalities, it is presumed that they are seeking admission for their wards in some other school. The seat is then allotted to other students.
