RULES OF DISCIPLINE

The smooth functioning of the college depends upon observance of discipline by the students. We are able to help the students better when rules of discipline are observed properly.

- Students must attend lectures as per the timetable. They must not abstain themselves from lectures, examinations without written permission of the Principal.
- Wearing of Identity card is compulsory in the college campus. Every student must take proper care of his/her I/card. The identity card is meant for identifying bona fide students and is used for permitting the student to participate in various activities and programmes of the college. Students must submit ID to lab assistant during practical's, In case the identity card is lost the matter should be immediately reported to the Principal and an application should be made for a duplicate ID. Duplicate Identity card will be issued by charging for it.

- The conduct of the students in the classes, Lab, Library, and Canteen and in the premises shall be such as will cause no disturbance to teachers, to fellow students or to other classes.
- Every student is expected to use clean and decent dress while coming to college.
- Students must take proper care of the college property. Any damage done to the property of the college will have to be compensated either individually or collectively. Strict action will be taken against students damaging college property including electrical fittings, Furniture, fire extinguisher etc
- Playing Music on Mobile phones or any other similar gadget is strictly prohibited. Defaulters will be punished and their instrument is confiscated.
- Use of Mobile phones is strictly prohibited in the academic area of the college which includes First Floor, Second floor, and third floor.
- The students must not attend classes other than their own without permission of the authority concerned.

- Students must read Notice board every day, Submission of project, submission of journals must be done as per the given schedule otherwise students are liable for punishment.
- Environment and Health & Physical education are the compulsory subjects containing projects. Project should be submitted as per the schedule. Written examination for health education will be conducted .
- Students are divided into groups, their performance, Attendance is observed by teacher. Defaulter list will be displayed periodically.
