

Intra School Chess competition

An Intra school Chess Competition was conducted for students of Grade III to Grade VI.

Dental check up

‘Every tooth in a man’s head is more valuable than a diamond’, goes the adage, so to create healthy dental habits. The school had conducted a dental check up for the students of Grade I - VI

Aashadhi Ekadashi

‘Hari om vittala’ was the chant heard in the school on the occasion of Aashadhi Ekadashi. Our students of pre primary had carried out a procession of Dindi which was taken around to all the classes.

The little warkaris swayed and danced by chanting

‘ Vittala Vittala Jay Hari Vittala ‘

Project Display and Informative talk about the celebration.

Guru Purnima

‘It is the supreme art of the teacher to awaken joy in creative expression and knowledge.’

Guru Brahma Guru Vishnu Guru Devo Maheshwara.

The occasion of Guru Purnima was brightened by informative talk, stories, and PPT by the teachers. Miss Shamika Shetty student of Grade VI gave a short speech highlighting the difference between Gurukul system and today’s educational system and the respect given to a Guru.

Every citizen must be responsible.....

Voting for student's council

‘Harmony and Excellence unites a school.’ And to achieve this there have to be leaders to lead the school. Hence we at Orion selected some candidates of standard V and VI to take up the leadership and to carry out the duties as office bearers.

The selected students of the student council started their election campaigning by visiting all the classes and seeking votes with their manifestoes.

Keeping this in mind we at Orion strive our level best to make our little ones responsible for a bright tomorrow. Voting for student’s council

took place, where in the students of standard III, IV, V, and VI voted for their eligible candidates.

The selected students of the student council started their election campaigning by visiting all the classes and seeking votes with their manifestoes.

Investiture Ceremony

“Education should consist of a series of enchantments, each raising the individual to a higher level of awareness, understanding and kinship with all living things.”

Keeping this in mind we had our Investiture ceremony beginning with a parade by the appointed student leaders, followed by the Principal and coordinators.

Welcome speech was given by our teacher .The ceremony began with the lighting of lamp and a Prayer sung by our school choir.

The elected students were conferred with the titles & batches followed by an oath taking ceremony.

Field trip of std. III & IV

Field trips play a vital role in education. They provide opportunities for the pupils to improve their observation skills, enhance vocabulary, understand and experience things in real life situations. Besides these field trips make learning more interesting and enjoyable and leave a lasting impression in the minds of the children.

Students of standard III and IV were taken to Nehru Science Center. The Students were thrilled to be in the dome theatre. They were all amazed to see the movie titled ‘Adventures of California’. They also observed and experienced the various areas related to science such as Magical mirror ,evolution of the Universe , Evolution of reptiles, Invention of wheels kaleidoscope, gravitational force, pre historic life, climate & seasons etc. Students were also taken for the 3D show on ‘Information of Stone Age’ where in they enjoyed wearing 3D glasses.

Hands on experience

Learning and making notes.

Our little masters with the machines.

Students experiencing the weather change

Field trip of std. V & VI

Students of standard V and VI went on a field trip to BNHS where the students got a hands-on experience by going through a nature trail.

“The beauty of the natural world lies in the details.”

The BNHS Nature Reserve is a verdant, lush patch of forest, thriving with natural life of all kinds. The field trip included a combination of theme-based outdoor activity (a nature trail) and indoor activity (a PowerPoint presentation by one of the BNHS guides.)

On the Nature Trail, the students were first led to the butterfly garden and the students were shown flowering plants that attracted various kinds of butterflies. He also showed them how to identify the butterflies. The students got an opportunity to observe a white spider that waited on a flower to devour the butterflies.

Then the students were taken on the leopard trail, treading through real forest where they could encounter various types of plants and animals. The guide encouraged the students to locate interesting things and asked questions about them. Various unique plants like *the Indian ghost tree*, *Cup and saucer plant*, *basket shaped fungus*, *coral Mushrooms*, *the plant that produce bio diesel*, *wild turmeric* etc were pointed out and their features were explained to the students. The children were also made to walk across the cold water streams. It was a wonderful learning experience for the students.

Handwriting Competition

Students were given a paragraph to write. The topic of which were as follows

Std. I – Our dear God

Std. II and III – Good manners

Std IV, V and VI – Panna the faithful nurse.

Achievements Our Orion's who have made us proud.

Desire is the key to motivation, but it's the determination and commitment to an unrelenting pursuit of your goal – a commitment to excellence – that will enable you to attain the success you seek

Mario Andretti

May your success be your first step to all the things to come!

May you receive lots of love and blessings for years to come!

Be number one in everything you do'

And now you all have just proved it to,

Congrats on your achievements!!!

Our winners at the Middle School Scholarship Examination: 

S.No	Name of the student	Marks	Rank
1.	Parijat Amol Mudras	272	Sixth
2.	Aaryan Bhupendra Pathare	252	Sixteenth
3.	Sneh Sameer Desai	240	Twenty-second
4.	Sameehan Ameet Kulkarni	218	Thirty-fourth
5.	Shuchi Chitanya Talwalkar	216	Thirty-fourth
