

ACADEMIC YEAR HAPPENINGS -2015 -16

I am reminded of a quote by Nelson Mandela, “**Education is the most powerful weapon which you can use to change the world.**”

The students arrived to school on **Friday the 5th of June**. They were excited to meet their friends and were eager to know their classroom as well as their class teachers.

It was the “**World Environment Day**” the students were shown the PPT on World environment day to raise global awareness.

It was followed by the activity of poster making on the theme of **'Seven Billion Dreams; One Planet; Consume with care.'** The students of grade 6 and 7 prepared paper bags and wrote slogans on it.

Students of Grade I & II had planting activity.

“Know Your School”. & “Know Your Vicinity” Was conducted on 10th and 11th of June for grade 2-3 and grade 4-5 respectively. They were taken outside the school & were shown different places like **“Matunga Gymkhana”, “Podar & Ruia College”, Hindu Colony “Post Office”, “Dr Lad’s Clinic”, “Tarabai Modak Vidyalay”** etc.

Maharashtra Education Minister Shri Vinod Tawde visited our campus on the **15th of June** and interacted with students. He wanted to ensure that school becomes a happy affair and students become more eager to learn new things during the year. As a gesture, he distributed books to the students who were present in the auditorium.

We at IES ORION celebrated **International Yoga Day** on **Sunday the 21st of June** with full enthusiasm.

All the students, teachers, and parents gathered in the hall and our principal Mrs. Shaibala Shetty inaugurated the occasion by garlanding a portrait of Goddess Saraswati and by lighting the lamp.

Our P.E. team made us perform some of the yoga postures beginning with warm-up exercises followed by various asanas. All the students, teachers and parents enjoyed the session and got inspired to continue it on a daily basis and benefit by practicing yoga.
